

Machine Introduction

BZD type semi-automatic gluing machine is new-type environmental equipment in recent years, mainly used in carton sticking, discard the traditional copper stapling method, improve the production efficiency, and the product quality is good.

Main frame: machine frame, lifting worktable, front part conveying device, middle part conveying device, middle part press together device, finished product side output device, electrical controlling device.

Features:

1. Simple and reliable operation system.
2. Novel and smooth overall design.
3. Quick change of size
4. Automatic counting, strapping set.
5. Can glue 240mm or so for the carton width plus height.

Technical Specifications

Model	BZD-1300
Max. Sheet Size	2800mm*1300mm
Min. Sheet Size	680mm*240mm
Paper Height	900mm
Design Speed	60m/min
Economic Speed	40m/min
Engine Power	2.2kw
Working Speed	40m/min
Dimension (LxWxH)	5.6 x2.1 x1.8m
Total Weight	ABOUT 1.6T

* Warna dan spesifikasi mesin bisa berubah sesuai dengan perubahan spesifikasi pabrik.
