

Autoprint DION 450+

Four Color Sheet-fed Offset Printing Machine

Machine Introduction

Autoprint's over 20 years of experience in the printing industry is evident in Autoprint Dion 450+ a Four colour Sheet-fed Offset Printing Machine, incorporating sophisticated features and top-of-the-line specifications. Inspired by the over 9000 customers of Autoprint, this machine has been indigenously designed by the dedicated R&D Team at this forward-looking organization. Incorporating all essential features, this no-frills, hi-tech machine meets international standards at a highly competitive price. Compact, easy-to-operate and truly world-class and the least in power consumption, the Autoprint Dion 450+ is the perfect solution for short-medium run 4 colour jobs. It offers exceptional print quality with its 18 Inking Rollers on each colour head. The Kompac Automatic Dampening System from USA not only ensures consistent print quality, but also acts as an additional inking unit to further enhance the print results.
