

BTB Series

Cellophane Wrapping Machine

Packaging Machinery

Shrink Packaging Machines

01 Description

This machine is mainly used to automatically wrap various single-piece or slice-shaped collective articles with printed film, such as handkerchief, removable self-stick notes, notepaper, bulk playing cards and soap, etc.

02 Features

- 01 No need to regulate the height of two work tops of the machine when the mould is replaced, no need to assemble or dismantle the material discharge chains and discharge hopper. Reduce the replacement time of the mould four hours to the present 30 minutes.
- 02 New-type double safeguard mechanisms are used; hence other spare parts will not be damaged when the machine runs out of step without the stop of the machine.
- 03 Original unilateral hand swing device to prevent from shaking the machine adversely and the non-rotation of the hand wheel during the running of the machine can secure the security of the operator.
- 04 New-type double-rotary film cutting cutter can ensure no need to mill the blade during many-year use of the machine, which overcomes the defect that the traditional stationary single-rotary film cutting cutter was easily worn.
- 05 (BTB-300B) on the basis of the model BTB-300A, this machine is a lengthened machine for the requirement of the packaging of bulk articles required by some users. This machine features by rational structure, good-looking in excellent taste, stable run, convenient in adjustment, the added photoelectric deviation pattern rectifying register system allows the packaging of printed film packing products such as soaps and paper towel.
- 06 (BTB-300C) on the basis of BTB-300B, the machine is added the system of color mark calibration, which contains the Panasonic servo motor, Siemens controlling modules and PLC touching screen. It is featured by stable running, fast speed and easy operation.

03 Technical Specification

Model	BTB-300A	BTB-300B	BTB-300C
Packing Material	BOPP film and gold tear tape	BOPP film and gold tear tape	BOPP film and gold tear tape
Packing Speed	40-80 pack/min	40-60 pack/min	40-50 pack/min
Packing Size	240*120*60mm	240*120*60mm	240*120*60mm
Electric Supply & Power	220V 50Hz 5kw	220V 50Hz 5kw	220V 50Hz 5kw
Weight	500kg	600kg	600kg
Dimension	2000(L)x700(W)x1400(H)mm	3000(L)x800(W)x1500(H)	3000(L)x800(W)x1500(H)

* Warna dan spesifikasi mesin bisa berubah sesuai dengan perubahan spesifikasi pabrik.
